

HORIZON TECH

Employee Wellness & Benefits Handbook

Comprehensive Guide to Health, Insurance & Well-Being Programmes

Version 2.0 | Effective Date: January 1, 2026

Classification: Confidential — Internal Use Only

Department: Human Resources & Employee Experience

This handbook covers: Health Insurance Plans, Life & Disability Insurance, Employee Assistance Programmes, Gym & Wellness Benefits, Retirement Savings, Financial Wellbeing Initiatives, and Parental Support.

1. Health Insurance Plan

1.1 Plan Overview

All full-time employees are automatically enrolled in Horizon Tech's group health insurance plan from their first day of employment. The plan is administered through MedCare Egypt and provides inpatient, outpatient, dental, optical, and emergency overseas coverage. Coverage extends to the employee's legal spouse and up to three dependent children under the age of 25.

1.2 Extended Coverage — Optional Add-Ons

Employees may enrol in optional supplemental coverage during the annual open enrolment window (October 1–15) or within 30 days of a qualifying life event (marriage, birth, or adoption). The following add-ons are available at subsidised group rates:

Add-On Plan	Monthly Premium (Employee Share)	Coverage Limit
Enhanced Dental	150 EGP	Up to 8,000 EGP/year
Orthodontics Rider	200 EGP	Up to 15,000 EGP lifetime
Enhanced Optical	80 EGP	Up to 2,000 EGP/year
Critical Illness Rider	120 EGP	Lump sum 100,000 EGP
Worldwide Emergency	180 EGP	Up to \$15,000 per event

1.3 Pre-Approval Requirements

Certain medical procedures require prior authorisation from MedCare Egypt before being performed. Pre-approval is mandatory for:

- Elective surgeries and planned hospital admissions of any duration.
- Specialist referrals outside the primary network.
- Any single procedure estimated to cost more than 5,000 EGP.
- All overseas medical procedures claimed under the travel emergency benefit.

Note: Emergency admissions do not require pre-approval but must be notified to MedCare within 48 hours of admission. Failure to notify may result in reduced reimbursement.

2. Life & Disability Insurance

2.1 Group Life Insurance

Horizon Tech provides all full-time employees with group life insurance at no cost to the employee. The benefit is equal to two times (2×) the employee's annual gross salary, paid as a lump sum to the designated beneficiary in the event of death from any cause (accidental or natural). Employees must designate a beneficiary upon joining and may update this designation at any time via the HR portal.

2.2 Accidental Death & Dismemberment (AD&D)

An additional AD&D benefit is provided, equal to one times (1×) the annual gross salary, covering accidental death, permanent total disability, or the loss of a limb or sight resulting from an accident. This benefit is

payable in addition to the standard life insurance benefit.

2.3 Long-Term Disability (LTD)

Employees who are unable to work for more than 90 consecutive days due to a medically certified disability will receive a monthly LTD benefit equal to 60% of their last drawn base salary. The LTD benefit continues for a maximum of 24 months or until the employee is medically certified as fit to return to work, whichever occurs first.

3. Employee Assistance Programme (EAP)

3.1 Scope of Services

The Horizon Tech EAP is a confidential, voluntary programme available free of charge to all employees and their immediate family members. Services are provided by an independent third-party provider to ensure complete confidentiality from the employer.

Service Category	Details	Sessions / Limit
Short-Term Counselling	Anxiety, depression, grief, relationship issues	Up to 8 sessions/year
Financial Counselling	Debt management, budgeting, mortgage advice	Up to 4 sessions/year
Legal Consultation	Family law, tenancy, employment issues	Up to 3 sessions/year
Nutrition Coaching	Personalised dietary guidance	Up to 4 sessions/year
Mindfulness App Access	Calm / Headspace premium subscription	Unlimited
24/7 Crisis Hotline	Immediate mental health support	Unlimited

3.2 Confidentiality Guarantee

All EAP interactions are strictly confidential. Usage data is never shared with Horizon Tech management. The only exception is when a counsellor is legally obligated to report an imminent risk to the employee or others. Employees should contact the EAP directly via the dedicated hotline or the Horizon Portal for referrals.

4. Physical Wellness & Gym Benefit

4.1 Gym Subsidy Programme

Horizon Tech subsidises gym memberships at a network of over 50 partner fitness centres across Egypt. The subsidy is applied as a direct corporate billing arrangement — employees do not pay up front and receive no cash equivalent.

Employee Grade	Monthly Gym Subsidy	Eligible Facilities
G1 – G2	Up to 300 EGP/month	Standard network gyms
G3 – G4	Up to 500 EGP/month	Standard + Premium network
G5 and above	Up to 800 EGP/month	All network + selected spas

4.2 Annual Wellness Reimbursement

In addition to the gym subsidy, all employees with at least six months of service are eligible for an annual wellness reimbursement of up to 1,200 EGP per calendar year. This may be used for:

- Fitness equipment purchased for home use (with receipt).
- Yoga, martial arts, swimming, or other certified fitness class fees.
- Approved nutrition or weight-management programmes.
- Ergonomic accessories (standing desk risers, back-support cushions, etc.).

Reimbursement requests must be submitted via the HR Portal with original receipts within 60 days of the qualifying expenditure. Unused balances do not carry over to the following year.

5. Retirement & Savings

5.1 Social Insurance

All employees are enrolled in Egypt's national social insurance scheme in accordance with the Social Insurance and Pensions Law No. 148 of 2019. Contributions are calculated on the variable and fixed salary components as mandated by law. Horizon Tech covers the full employer contribution and deducts the employee portion from the monthly payroll.

5.2 Voluntary Savings Plan

Employees at grade G3 and above may participate in Horizon Tech's voluntary deferred savings plan. Under this plan, employees may elect to contribute between 2% and 10% of their base salary each month on a pre-tax basis. Horizon Tech matches contributions up to 4% of base salary. Vesting of the company match is as follows:

- After 1 year of plan participation: 25% of matched contributions vest.
- After 2 years: 50% of matched contributions vest.
- After 3 years: 75% of matched contributions vest.
- After 4 years: 100% of matched contributions vest.

6. Financial Wellbeing Initiatives

6.1 Emergency Interest-Free Loans

Employees who have completed their probation period may apply for an emergency salary advance of up to two months' net salary, repayable over a maximum of 12 equal monthly instalments via payroll deduction. Approval is subject to HR and Finance sign-off. Only one active loan is permitted at any time.

6.2 Financial Literacy Workshops

Horizon Tech organises quarterly financial literacy sessions covering topics such as personal budgeting, investment basics, tax planning, and retirement readiness. Attendance is voluntary and sessions are held during working hours. All sessions are recorded and made available on the Horizon Learning Portal.

7. Parental & Family Support

7.1 Fertility Treatment Assistance

Horizon Tech recognises the financial burden of fertility treatments. Employees who have completed two or more years of service and are enrolled in the company health plan may apply for a one-time fertility assistance grant of up to 20,000 EGP. The grant is non-repayable and requires documentation from a licensed fertility specialist.

7.2 Childcare Subsidy

Working parents with children under the age of six are eligible for a monthly childcare subsidy of 500 EGP per child (maximum two children) to offset nursery or daycare costs. The subsidy is paid directly through payroll and is subject to an annual budget cap. Applications open in January each year and are processed on a first-come, first-served basis.

7.3 Flexible Return from Parental Leave

Employees returning from maternity or paternity leave may request a phased return-to-work arrangement for up to eight weeks. During this period, the employee may work reduced hours (minimum 60% of standard hours) at full pay. The phased return plan must be agreed with the line manager and HR at least two weeks before the scheduled return date.
